*A message from Interim Chief Financial Officer & Vice Chancellor
Richard L. Coulon*

Dear colleagues,

I am pleased to announce Allen Shiroma has been appointed as associate vice chancellor of Environmental and Facilities Services effective Wednesday, June 1, 2022. Allen has served as the assistant vice chancellor of Facilities Management since January 2020 and has over 40 years of experience in his field. He has been at UCI for over 14 years and has played a significant role in managing \$95 million of campus deferred maintenance and infrastructure improvement projects as well as implementing steps to improve renovation processes and accelerate the completion of critical campus projects. In his new role, Allen will oversee both [Facilities Management](#) and [Environmental Health & Safety](#). He holds a B.S. in industrial engineering and received his MBA from UCI.

I am grateful to the search committee, led by Mary Clark, for their hard work and contribution to the search process. I would also like to thank Karl Wolonsky who has served as the associate vice chancellor of Environmental and Facilities Services for five years of his over 43 years of service to UCI.

A recruitment will be conducted to replace Allen's current role of assistant vice chancellor of Facilities Management.

Please join me in congratulating Allen on his new role.

With appreciation,

Richard L. Coulon (he/him/his)
