

## Division of Finance and Administration

*A message from Chief Financial Officer & Vice Chancellor  
Mary Lou D. Ortiz*

Dear colleagues,

I am pleased to announce Campus Physical & Environmental Planning (CPEP) has been renamed Campus Planning & Sustainability (CP&S). This new name better represents the team's leadership role in physical, environmental, and sustainability planning.

CP&S is responsible for stewardship of the campus' land resources and vision for its public realm, ensuring capital project compliance with environmental regulatory statutes, long term physical planning for the campus and UCI Health, and leading collaborative campus efforts to advance sustainable operations and initiatives as outlined in the UC Sustainable Practices Policy.

The website has changed to [planningandsustainability.uci.edu](http://planningandsustainability.uci.edu) and other identifiers are being updated to ensure a smooth launch of the new name.

Sincerely,

**Mary Lou D. Ortiz**  
Chief Financial Officer  
Vice Chancellor, Finance and Administration
