

# UNIVERSITY OF CALIFORNIA

## SYSTEM-WIDE INFORMATION MANAGEMENT SERVICES AGREEMENT — #2018.000666

WITH IRON MOUNTAIN, YOU BENEFIT FROM A SINGLE, TRUSTED SOURCE FOR THE UNIVERSITY OF CALIFORNIA'S SYSTEM-WIDE INFORMATION MANAGEMENT NEEDS. OUR COMPREHENSIVE SUITE OF SOLUTIONS WILL HELP YOU BETTER UNDERSTAND YOUR INFORMATION FLOW, WHERE THE RISKS ARE, AND HOW TO ADDRESS THEM. IRON MOUNTAIN'S PRIMARY SOLUTIONS INCLUDE:

Secure Destruction | Records Storage & Management | Data Management | Document Management

### SECURE DESTRUCTION SERVICES

With Iron Mountain's Secure Destruction services, you will benefit from a comprehensive destruction program that's convenient, compliant and sustainable. Our programs are tailored to your specific requirements and can include onsite, offsite or one-time shredding, as well as E-waste and IT Asset Disposition Services.

### DATA MANAGEMENT SERVICES

With Iron Mountain's Secure Offsite Tape Vaulting services, your tapes will be safely stored until you need them — whether that's tomorrow or next year — and you can retrieve them on demand. It's also the most efficient way to utilize long-term archiving of your backup data. Here are some of the benefits of Iron Mountain's Data Management services:

- > You prepare your pickup request via SecureSync®, our online portal.
- > We pick up your container, scanning the barcode before and after transit.
- > Tapes are stored offsite in an environmentally controlled facility.
- > You can manage schedule changes, reporting and retrievals with SecureSync®.

### RECORDS STORAGE AND MANAGEMENT SERVICES

Iron Mountain's records and information management professionals will work with you to identify records for relocation to our secure offsite records storage facilities. Here they'll be tagged and classified using your own terminology, tracked with RFID labels,

and made available on our intuitive Iron Mountain Connect™ web portal. You'll be able to quickly locate and retrieve your information as needed. Storage capabilities include: > Record Storage

- > Open Shelf Storage
- > Climate Control Storage

### DOCUMENT CONVERSION SERVICES

Iron Mountain's Document Conversion services can help you streamline your organization's ability to store, access and manage documents while cutting costs and stress. You can implement a new digital imaging program or redesign your current one. Cost control is achieved by scanning only certain documents as needed. By implementing our Document Conversion services, you gain the advantages of improved chain of custody, a single vendor relationship, and a more cost-effective records management program.

# THE INFORMATION MANAGEMENT LIFECYCLE

Regardless of its format or where it comes from, once information is in your possession, it's your responsibility to manage it as it moves through the various phases of its existence. And this is more challenging than ever given the volume, sources, data types, security requirements and regulatory obligations you deal with on a daily basis. Iron Mountain has solutions to help you manage your information through all phases of the lifecycle.
